**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a small business that depends on the Internet. We can not afford increases in the cost of internet and telephone. We have been with a regional internet provider for years now. They are known for friendly and dependable service. They are very competitive and would be a tremendous loss if they can no longer compete on a level playing field.
